Bassingbourn 11th September

Hurricane?

Well there was Michael Molloy & Lloyd Wayling making the most of the short slope to see who could be fastest. Today it was Lloyd in 7.36s. Blink and you'd almost miss it.

As with most of the ERSA races this season, the Bassingbourn race was well attended with over 140 racers from around the region racing in the wind. Good to see that the bulk of the racers are children, with the promise of strong regional racing for many seasons to come.

Thank fully the wind blew hard so the unique location of the Bassingbourn slope was not noticed. Despite one mishap (hope he is OK) the race went smoothly, thanks again to the terrific ERSA team and of course the Bassingbourn crew.

But the worst thing happened near the end of the day Bassingbourn ran out of hot food. Amazing how many people noticed this!

Once again Paul and Yannick from Evolution were on hand to present the prizes. A big thanks to them for driving all that way and supporting the ERSA region in 2011.

Chairmans Comment

The coaches and committee want to thank all those who represented the club at Bassingbourn and brought home a superb collection of results. This is what we are doing it for and its is very rewarding - Rolf

I'd like to say well done and thank you to all the supporters, I think we might have annoyed the Welwyn couple that were near us but never mind - Graham
