Chairman's Comments

(He's back, did you miss him?)

Great to have had a group of Vikings racing at both Club National's.

They all competed well and well done to Tash Royal and Bev for your podium places and Chris for reducing his points so dramatically!

Now the ERSA season starts and so we encourage all Viking members to participate.

This is what the club is training you for.

See you at the ERSA's

Welwyn

Ok, firstly, can I say sorry to Michaela that you she had to take my job as Start Marshall at the Welwyn Club National. I am sure it would have not been so bad if it hadn't rained!!

In my defence I would like to say that the Porsche now drives much better than before so it was well worth the wait and I did bring a bottle of wine to say SORRY!

As I managed to arrive at 2.30pm and missed all the race that day, I will pass this bit of the report over to my deputy Start Marshall.....Michaela

Bev said this was a tricky course so our lot did well to finish.

A lot of people skied out on the first run. Tash Royal had a wipeout at gate 4 on run 1 but dusted herself off and finished the course.

Tash Wright skied extremely well but was pipped to fifth place, CH2 girl's was a tough field.

As you know Tash got two decent runs in to get 1st girls CH1 and Bev 1st Masters 1.

Chris Anderson did really well and knocked over fifty points off his BARTS points!!

Thanks Michaela, hope you've forgiven me?

Bromley

Wasn't my turn to forget the Gazebo this time (leaving it on the drive, I ask you), but thankfully it didn't rain in the morning!

It's not the most testing of slopes being very flat and short and the course set on it reflected this. Very little to really test any of the racers and I reckon when Cameron sees the videos he will wish he had gone to Bromley as it is just his kind of course.

Even saying all that it was a great pre-season warm up to the ERSA season.

Norfolk watch out!!

Its not the price, there is dust in my eye
